5th Sept – 31st Dec 2020

Fluid

The Fluid™ Watercolor Paper Collection was created specifically for the artist. This watercolor paper is crafted with great pride by our European mill masters with over 400 years of paper making experience. The paper is produced in small batches at slow speeds for precise control for a stronger, premium quality paper. Our unique “Easy-Block” method of binding allows the paper to be used as a block or a pad.
